-
- Jason Gears called the meeting to order.
 - Motion to approve the minutes of the November 6, 2014 meeting made by Jessica Ford, seconded by Lila Shousher; motion carried.

Purchasing Requests

Eric Zatzko presented a request to purchase three (3) Microsoft Surface Pro 3 tablets to be used by Eric, Sarah Sagasar and Larry McCarthy. The total cost of each device, including a dock, detachable keyboard and folio cover is \$1585.51. A three year warranty with accidental damage protection adds \$330.95. The total for the three devices, including freight, is \$5813.42. Funds are available through the IJS equipment account #530100. Eric mentioned that they have tested their critical apps and all tested OK on the units. Discussion ensued regarding the new technology used with the tablets and operating system Windows 8.1. Jason Gears mentioned that LCIS has not supported the tablet or the operating system in the past and staff have not had training for them. There are concerns about LCIS' ability to support the devices in a timely manner.

Pete Gerken requested that the request be brought back to the January meeting in order to give LCIS time to research the product and operating system. This item will remain on the agenda for the January 12, 2015 DP Board meeting.

Old Business

Tax Accounting Project

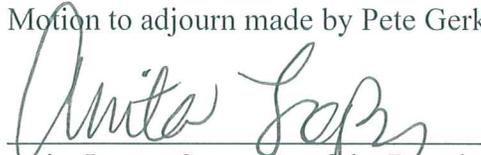

Jim Molnar reported that the team is moving forward and working toward the Go Live date in spring 2015. He also mentioned that if anyone would like a demo of the new Aries system, they can contact him and he will set it up.

New Business

No new business.

On November 18, 2014 an emergency hiring request was presented by LCIS Director, Jason Gears to DP Board Members to extend an offer to hire Kory Koepfer to fill the vacant Operations Analyst position within LCIS. All Board members were contacted via email and requested to vote Yea or Nay. The result of the vote was Yea – 8, Nay – 0.

Motion to adjourn made by Pete Gerken, seconded by Lila Shousher; motion carried.

Memorandum

Date: January 6, 2015
To: Anita Lopez, Secretary of the Data Processing Board
Cc: Karen Schnitkey
From: Julie Riley

The Lucas County Solid Waste Management District would like to purchase a new copier/scanner/printer/fax all in one machine to replace the copier we currently have. The one we have was purchased in 2004 and was only a copier. It no longer works and the company cannot find parts to fix it anymore because it is too old.

We will be asking for quotes from three (3) different companies. (MT Business, Perry ProTech, & CopyCo). We will also be asking to demo the machines that are being quoted for at least a week each. Therefore, we will need LCIS to connect them to our network so that our 6 computers can access them.

We will be purchasing the machine from fund code 5050-0530-530100 and there is enough money in this account. We are anticipating the cost to be less than \$15,000.00.

Date: January 7, 2015

To: Lucas County Data Processing Board

From: Jason Gears, LCIS Director

Subject: Ricoh Copier Purchase

Dear Lucas County Data Processing Board Members,

Lucas County Information services is requesting permission to replace our Ricoh Aficio 3245c copier with a Ricoh Aficio C4503 copier.

The current copier was purchased in 2006. The vendor will no longer support the unit due to its age.

The total cost is \$8061.00 with monthly service agreement costs set at black and white copies \$0.0062 each and color copies at \$0.045 each. Purchase price includes all parts, supplies, maintenance, toner and installation. Funds were budgeted and are available in 1010-0160-530100.

Please see attached quote. MT Business is a State Term Provider #800310-6.

Thank you for your consideration.
