

**The Survey Documents include:**

1. All the "Surveys" and "Record Plats" that we have on file in our office. The Record Plats are mostly plats outside of municipal limits.  
(We are continually adding to this group).
2. All of the "Private Surveys" we have on file in our office.
3. Road Dedication Plats.
4. All of the old County "Survey Records".
5. Most City of Toledo Record Plats included.

**The Infrastructure Plan Documents include:**

1. All the County Construction Plans and Subdivision Plans that we have on file in our office.
2. Ohio Dept. of Transportation plans for the old U.S. 24 handed over to the Lucas county Engineer's Office, as our office now has responsibility and jurisdiction over this route.

**The Site Plan Documents include:**

1. All the Site Plans that our office has reviewed.
