KAS

I am sending you this as a memo of request to have a computer hooked up to our internet. Please add this to the agenda for the DP board meeting.

Cheryl Rice, and NRCS-ODA employee in our office has had internet access for the past few years. ODA has given her a new computer and needs her technician to hook it up in place of her old one.

Requester: Joey Sink-Oiler for Cheryl Rice

Explanation of request/justification: To replace an old computer with a new one on internet access already available.

No costs should be involved as ODA has purchased the computer and has a technician available to hook it up.

Specifications: Jeremy Burnat has spoken with ODA staff to clarify issues.

Should you have any other questions, please do not hesitate to contact me.

Thank you for your assistance,

*Joey Sink-Oiler*
