Documents. Networks. Systems. Services.

Since our inception in 1965, we've been recognized as a leading provider of office automation technology and products to businesses of all sizes throughout northwest and west central Ohio, northeastern Indiana, and southeast Michigan.

We help our clients achieve competitive advantage by maximizing the integration of technology with their unique business needs.

PERRY proTECH services thousands of companies in a variety of industries, including financial services, health care, technology, manufacturing, education, telecommunications and utilities. Our greatest asset is the combined expertise of over 200 Employee Owners who work diligently to ensure the success of both our company and our clients.

Our Core Values

Our attributes are at the core of our brand. They summarize our promise to you. They are the foundation for not only what we do, but how we do it.

Simplifying	We strive to be easy to work with. We don't waste anyone's time. Our procedures are straightforward, and our communications are clear.
Optimizing	Each of our clients have different needs. We find the right solution – and the right price – for each customer's business.
Connecting	We make connections. Our networks link people, systems, services and information around the clock and around the world.
Certain	Our clients don't have time for "almost" or "maybe". They demand certainty. We follow through.
Personal	Our clients are people, not contracts. We get to know each client and offer them the tools they need to achieve their goals.
